Both the Indiana State Senate and the Indiana House of Representatives confirmed Davis’ nomination, and the lieutenant governor was sworn into office on Monday. All six staff members are in place for Davis’ first week in office.

“My team is ready to take on our new responsibilities and serve the people who call Indiana home,” said Lt. Governor Davis.

Earlier this week, Davis also announced her transition team led by Fred Glass, a partner at the Indianapolis law firm Baker & Daniels.

The other transition team members are: Lacy Johnson, a partner at the Indianapolis law firm Ice Miller; Stan Jones, Indiana’s commissioner for higher education; and Marya Rose, vice-president, general counsel and secretary for Cummins, Inc. in Columbus.

During this transition period, all inquiries should be forwarded to Fred Glass at 317-237-1145. Materials can be faxed to 317-237-8445. The general office number for the lieutenant governor is 317-232-4545.
